

MBARC Monday Night Net Script

7/2/2024 – Updated KD2VQP, W2BOS

Ready Announcement

(At 7:58pm) announce “

“This is **(your Call Sign)**. I will be net control for this week’s Mt. Beacon Monday night net.

The net will begin at 8:00pm Eastern Time. If you have any last minute calls, please make them now.”

Preamble (At 8:00)

“This is CALLSIGN, NAME; I will be your net control for the Mt. Beacon Monday night net.

“All stations are welcomed to participate. You do NOT need to be a Mt. Beacon member to participate.”

We begin check-ins.

“When checking in give your callsign, unkey to check for doubling then give your call sign, name, and location.

Check-ins newly licensed Hams

“We will start off with check-ins from newly licensed hams. If you’ve received your license within the last 6 months, call now

(Take check-ins from new hams)

(After you feel you have all the new check-ins, read back the call signs of those who checked in)

Regular Check-ins

“I will now take check-ins from anyone else who would like to check-in”

(After you feel you have all the check-ins, read back the call signs of those who checked in)

07/03/2024

Announcements

We will now take any announcements (Announcements should be no longer than 2 minutes)

(Announcements)

Comments

Do we have any comments or questions this evening?

(Comments)

Any other business before we go on to Swap and Sell?

Swap and Sell

(Swap and Sell)

Swap and Sell. Items should be ham radio related. Describe your item or want. Prices are allowed, but no negotiation on the air, so remember to give your contact information.

Post amble / Closing the Net

This concludes this week's Monday night net. Thank You to all who participated. We now return the repeater to routine Amateur use.
